**News From the Parish Office:**

**Welcome Cross Catholic Outreach this weekend**

We welcome Father Joseph Westfall of Cross Catholic Outreach who is speaking this weekend at all Masses on behalf of the poor in developing countries. Cross Catholic Outreach was founded to create a meaningful link between parishes in America and the priest and nuns working in the Church overseas in the Caribbean, Africa, Asia, Central and South America.

Father Westfall was ordained in the diocese of Lafayette in-Indiana on June 5, 1993. During his formation years in the seminary, as well as while a member of the pastoral team in parishes in his home diocese, he was profoundly moved while serving time in an adopted parish in Haiti.

During his time in Haiti he also served at an outreach center in Port Au Prince ran by his home diocese; an experience that forever moved his heart in service to the poor.

He worked in his home diocese until focusing ministry in healthcare chaplaincy in 1997. Since that time, Father Joseph has been a board certified chaplain with the Association of Professional Chaplains, as well as the National Conference of Veterans Affairs Catholic Chaplains.

Father Westfall has been a Chaplain with the Department of Veterans affairs for 15 years, serving in medical centers across the country as a clinical Chaplain and Chief of Chaplain Services. He is currently the Chief of Chaplain Services for the VA Hudson Valley in New York.

Father Westfall joins Cross Catholic Outreach to continue his service to the poorest of the poor.

## Please Remember In Your Prayers:

### **Following Jesus**

*The blessing to follow Jesus means to enter into a relationship with him and to exercise good stewardship over that relationship of family and friends.*

We follow all sorts of people and organizations on social media. Friends. Celebrities. A favorite author, athlete, charity, or business. At times, we may think before following: do we want the additional postings or emails? Typically, following a business or celebrity does not require much of a commitment. We may or may not read every post that comes through on our feed. We might respond, or we may not. Even when we do, our response is often as simple as hitting the "like" button. Following Jesus is a very different sort of thing. To follow Jesus means to enter into a relationship with him and to exercise good stewardship over that relationship. When Jesus asks us to follow him, we know that doing so is to have an impact in our lives. As with any friendship, if our relationship with Jesus is to grow, we will have to spend time with and pay attention to him. At first, this might mean taking a few moments at the beginning or end of each day for prayer. We may be more attentive during Mass; we may pause in the midst of our day's activities to notice the beauty of creation, the gift of kindness and patience shared among co-workers. The best of friends also influence each other, for the better. Growing in relationship with Jesus will change us, leading us to think of others as well as ourselves, often putting the needs of others first. We learn to be mindful of those who need to know God's love through our actions, serving them, sharing forgiveness, mercy, compassion, and faith.

Following Jesus is the work of a lifetime. At every step forward, one is challenged to go further in accepting and loving God's will. Being a disciple is not just something else to do, alongside many other things suitable for Christians; it is a total way of life and requires continuing conversion

*How will you follow Jesus now and into the future? How will you learn from and invite him to have an impact in your life? How will your stewardship of this relationship impact the way you live?*
