**News From the Parish Office:**

**Keep a Prayer Journal during Lent**

This February two events will take place on the very same day. Both Valentine's Day and Ash Wednesday fall on the 14th of the month this year. Valentine's Day encourages us to offer written expressions of our love and affection to others through cards and letters. Why not express our love for the Lord by keeping a prayer journal during Lent?

The season of Lent can be a great time of spiritual growth and keeping a prayer journal can help strengthen our prayer life. Journaling can help us listen more intently to God's voice, track our spiritual growth, and deepen our relationship with the Lord. There are different ways to keep a prayer journal. You can simply reflect on a passage from scripture, then write down your thoughts and feelings. Or, you can write down what the Holy Spirit places upon your heart during prayer. It is important to commit to a specific time and place each day to pray and spend time in silence with God. Then, as part of your prayer experience, write a few lines. Whether you want to express your gratitude, challenges, praises or laments, share them with the Lord in writing. As Valentine's Day gives us an opportunity to reflect on and express ourselves to those we love, prayer journals accomplish the same thing in our relationship with the Lord. If you're not already in the habit of keeping a prayer journal, try it. You will be surprised by the spiritual awareness cultivated within yourself as you journey with Christ toward Easter.

**February 14, Masses: 7:30 am or 7:00 pm**

The Gospel reading for Ash Wednesday concerns itself with what has become a traditional three-part Lenten exercise: prayer, fasting and almsgiving. Jesus instructs his followers to turn to God, to turn from self-interest and to deepen their relationship with the Lord in secret. He tells them in effect that a humble and quiet disposition toward prayer, self-denial and reaching out to others is transforming and leads to a favorable outcome. What is our plan to turn ever closer to God in this Lenten season? Are we prepared to treat this season as a sacred time, a time to deepen our own relationship with the one who redeemed us?

### **February 10/11, Sixth Sunday in Ordinary Time**

The fate of a leper is a great tragedy at any time and place. In Jesus' time, lepers were considered condemned, part of the plagues God sent as punishment. They were cast out of society and abandoned. Saint Mark's Gospel reveals the unthinkable. Jesus reaches out and touches a leper. He risks catching the contagious disease and heals the man. As the Gospel story teaches, no one is abandoned by Christ. Are there those in our society or in our personal lives for whom we ascribe no hope, who we have abandoned, treated like lepers? Or as Christ's stewards of our sisters and brothers, do we risk reaching out and touching those who may seem to us to be "unclean" or not worthy of our time or attention?
